Missed Lessons Policy: There are **no refunds** or credits for student absences.

- Lessons days or times are not interchangeable with other students.
- **All lessons must be paid for whether taken or missed!** **NO** make-up lessons will be granted except due to severe illness or family emergency with at least 24 hours' notice given to cancel the lesson for a maximum of 2 per school year with **no exceptions!** These lessons will be granted only at the discretion of the administration and subject to availability of the instructor. The Academy is under no obligation to provide refunds or to make up lessons unless the lesson is cancelled by the teacher. Your student registration is a contractual agreement between a student and a teacher to reserve a specific day and time each week as indicated on the registration form.
- In the case of an instructor's absence, Bergthorson Academy will substitute him/her with an instructor of equal ability. If this is not possible, every effort will be made to make-up the class (if you miss your scheduled make up lesson, we will not reschedule). If a substitute or make up is not possible, tuition for that class will be refunded at the end of the school year.

Snow Days: Sometimes the school district closes schools due to weather. Bergthorson Academy is **NOT** part of SD42, please ensure to call our office after 1pm or visit our Facebook page to confirm if we have cancelled classes. If the school remains open, no make-up lessons or credits will be provided in the event of the missed class.

Withdrawal from Lessons: Two Weeks' Written Notice is required! You must submit a signed letter to the Registration Desk stating your intentions. Verbally contacting only the teacher with your intention to terminate is *not* considered an official termination notification. This letter *must* be submitted to the office two weeks prior to termination. Students may continue their classes up to and including the final date of termination. For some classes that are based on group participation and a fixed time frame, semester refunds may not be available since classes are based on a minimum number of students.

Recitals: Two sets of recitals are held each school year, in January and in June. Participation is not mandatory but greatly encouraged! Third Party accompanists at recitals are the responsibility of the family/student.

Fees and policies are subject to change without notice.
